

receipt with the date of mailing stamped by the U.S. Postal Service; (3) A dated shipping label, invoice, or receipt from a commercial carrier; (4) Any other proof of mailing acceptable to the U.S. Secretary of Education.

If an application is sent through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing: (1) A private metered postmark, or (2) a mail receipt that is not dated by the U.S. Postal Service.

An applicant should note that the U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method an applicant should check with its local post office.

An applicant is encouraged to use registered or at least first class mail. Institutions which submit eligibility applications that are received after the closing date will not be considered for funding under the campus-based programs for award year 1987-88.

**Applications Delivered by Hand.** An institutional eligibility application that is hand-delivered must be taken to the U.S. Department of Education, Application Control Center (ACC), Room 3633, Regional Office Building 3, 7th and D Streets, SW., Washington, DC. The Application Control Center will accept hand-delivered applications between 8:00 a.m. and 4:30 p.m. (Eastern Standard Time) daily, except Saturdays, Sundays, and Federal holidays. An application for the 1987-88 award year eligibility that is hand-delivered will not be accepted after 4:30 p.m. on the closing date.

**Supplementary Information.** Under the three campus-based programs, the Secretary allocates funds to eligible institutions of higher education. The Secretary will not allocate funds under the campus-based programs in award year 1987-88 to any currently ineligible institution unless the institution files its "Request for Institutional Eligibility for Programs" form (ED Form 1059) by the closing date. If the institution submits its institutional eligibility application after the closing date, the Secretary will use this application in determining the institution's eligibility to participate in the campus-based programs beginning with the 1988-89 award year.

Ineligible institutions include:

- (1) An institution that has not been designated as an eligible institution by the Secretary.
- (2) A location of an eligible institution that is currently not included in the Department's eligibility certification but has been included in the institution's Fiscal Operations Report and Application to Participate (FISAP).
- (3) A branch campus that is currently part of an eligible institution but has

filed its own FISAP and is seeking eligibility as a separate institution of higher education. (ED Form 1059, OMB #1840-0098, approved through August 31, 1987)

The Secretary wishes to advise institutions that the institutional eligibility form "Request for Institutional Eligibility for Programs" (ED Form 1059) should not be confused with the FISAP (ED Form 646-1) that institutions were required to submit by September 28, 1986, in order to receive funds under the campus-based programs for the 1987-88 award year.

**Applicable Regulations.** The following regulations apply to the campus-based programs:

- (1) Student Assistance General Provisions, 34 CFR Part 668.
- (2) National Direct Student Loan Program, 34 CFR Part 674.
- (3) College Work-Study Program, 34 CFR Part 675.
- (4) Supplemental Educational Opportunity Grant Program, 34 CFR Part 676.
